

Collegiate Rocket Launch Motor Selection

Updated 1.12.17

Due to an accident at their plant, CTI is not in full production with their motors. As a result, we will be using AeroTech motors for the 2017 CRL competition.

Reloadable Motor System (RMS) AeroTech Rocketry

**NOTE: WSGC Will Supply the Hardware for the Following Motors
I327DM, I600R, J340M, J350W, J420M, J500G**

You can find the performance of all motors at www.thrustcurve.com

WSGC
