

**WSGC Collegiate Rocket Competition
Education/Public Outreach Documentation Form**

The Wisconsin Space Grant Consortium (WSGC) and NASA would like to thank you for giving our collegiate rocket competition participants a chance to assist your organization. Please take a moment to fill in some information below to verify the students' participation. A portion of their competition score is based on their outreach activities and your willingness to let them assist you in the work you are doing is appreciated.

The goal of this activity is to “raise awareness of, or interest in, NASA, its goals, missions and/or programs, and to develop an appreciation for and exposure to science, technology, research and exploration.” One of the goals of the WSGC is to promote science, technology, engineering, and math (STEM) fields through educational opportunities in the state of Wisconsin. We are grateful for your involvement in this mission and we encourage you to be a part of additional projects that are taking place through WSGC funding. If you have any questions about the competition or our organization, please visit our website at <https://spacegrant.carthage.edu/>
