Women in Aviation Conference
February 23 - 25, 2023
Long Beach Convention & Entertainment Center
https://www.wai.org/2023-conference

Applications Open: September 1, 2022
Application Deadline: October 24, 2022
Award Announcements: November 18, 2022

Awards: $2,000*: Scholarship funds support transportation, lodging, meals, and registration for attendance at the Women in Aviation International Conference in Long Beach, California, on February 23-25, 2023.
* Subject to availability of funds.

Purpose: Scholarships to support three outstanding female undergraduate students interested in aviation-related careers.

To Apply:

- Register on the WSGC website (https://spacegrant.carthage.edu/forms/account/login). Applicants will be prompted to update personal information annually.
- Upload current resume to applicant profile. WSGC will share the provided resume with Wisconsin Aerospace Industry partners for co-op, internship, and employment opportunities if applicant grants WSGC permission by marking the check box provided.
- Sign in and submit the Grant Application Form (applicants may apply to multiple funding programs) and supporting documents.

Application Requirements: Applicants who meet the following requirements can apply for this scholarship by registering and applying online at spacegrant.carthage.edu/about/login:

- U.S. citizen
- WI resident during academic year
- Enrolled full-time in, admitted to, or applied to any undergraduate program at a WSGC college or university
- Minimum 3.0 GPA (Proposals that include a GPA of less than 3.0 will be evaluated on a case-by-case basis)
- Completed application online (see Supporting Materials Required with Application below)

Award winners will be chosen based on academic performance, aerospace-related promise, and the demonstrated interest in pursuing a career in STEM/aerospace/aviation. For consideration, the application form must be complete and be accompanied by supporting documentation.
Supporting Materials Required with Application:

1. Maximum two-page statement containing the following (See Tools & Tips for more information on how to create professional communications):
   a. Interest in aviation.
   b. Experience in aviation (coursework, pilot training, etc.).
   c. Benefit of attending the 2023 Women in Aviation conference.
   d. Future plans to participate in aviation as a career, hobby, etc.

2. Copy of most recent college transcript (unofficial is acceptable/not required for incoming freshmen)

3. Two (2) Letters of Recommendation: Letter(s) of recommendation may be submitted with the online application. Confidential letter(s) of recommendation may be emailed to spacegrant@carthage.edu Subject: WA23_LOR
   a. One from a faculty member who advises the applicant
   b. One from an aviation mentor.

*NOTE: Students also applying for the Undergraduate and/or STEM Bridge Scholarship Program should submit a statement distinguishing the scholarship from the fellowship application. Primary consideration for Women in Aviation Scholarship awardees is given to first-time applicants.

Award Acceptance Components: As part of the award acceptance, awardees will be asked to attend the Annual Wisconsin Space Conference in August 2023, submit the following documents on the WSGC application website under Program Applications/Your Applications:

- Award Agreement Letter
- W9
- Media Release Form
- One-Paragraph Biography
- Professional Photo
- 2-3 Project Photos Featuring Awardee w/Project
- Present program at the Annual Wisconsin Space Conference in August
- Student Story

Please direct questions about the Women in Aviation Scholarship to:
Christine Bolz, Assistant Director
Wisconsin Space Grant Consortium
Carthage College
2001 Alford Park Drive, Kenosha WI 53140
Phone: 262-551-5915
E-mail: cbolz@carthage.edu

This funding opportunity is made available for the pursuit of space-related research and/or activities through the National Space Grant College and Fellowship Program: NASA Educational Cooperative Agreement #80NSSC20M0123. Catalog of Federal Domestic Assistance (CFDA) number for this award is 43.008.

All awards are fully competitive awards of opportunity in which applications are reviewed by the WSGC Technical Advisory Panel and other experts as needed. Awards are made by the Assistant Director based on recommendations from the Associate Director.
